

OAS CAHPS Dates & Deadlines

This OAS CAHPS Dates & Deadlines schedule will keep you informed of data submission deadlines to comply with CMS public reporting. Send your patient data files to us on a daily or weekly basis, shortly after the patients' procedures. Send your "update" files on a monthly basis to meet the deadlines provided in the schedule below.

The update files should contain patient data required by CMS that were unavailable at time of upload and, therefore, were not included in your initial patient data files. Administrative data elements allow our system to determine survey eligibility for this program, so it is important for you to provide complete and accurate information in your files. As part of our commitment to you, Press Ganey performs periodic audits and will notify you of missing data required for OAS CAHPS. You will be alerted if less than 100% of your patients selected to receive an OAS CAHPS survey have complete administrative data.

Voluntary participants in OAS CAHPS must authorize Press Ganey as their survey vendor prior to the data submission deadlines. Press Ganey's vendor authorization and data submission deadlines are listed below.
