

HCAHPS Dates & Deadlines

This HCAHPS Dates & Deadlines schedule will keep you informed of data submission deadlines to comply with CMS public reporting. Send your patient data files to us on a daily or weekly basis, shortly after patients are discharged. Send your "update" files on a monthly basis to meet the deadlines provided in the schedule below.

The update files should contain patient data required by CMS that were unavailable at time of discharge and, therefore, were not included in your initial patient data files. With the implementation of Value-based Purchasing (VBP), CMS is now placing a stronger emphasis on providing complete and accurate administrative data. As part of our commitment to you, Press Ganey performs periodic audits and will notify you of missing data required for HCAHPS. You will be alerted if less than 100% of your patients selected to receive an HCAHPS survey have complete administrative data.
